# Concepção e Autoria Multimédia

Carlos Vaz de Carvalho

# Virtual Museums

- Online museums
  - Exist only online
  - Normally more specific than real museums, focus on one subject
  - Can also be a metamuseum
- Real museums with online/multimedia support
  - Provide info on the museums, complement the exhibitions, explain the pieces, document the authors, etc.
  - "Virtual visitors to museum websites already out-number physical (on-site) visitors, and many of these are engaged in dedicated learning"
- .museum domain

# Virtual Museums

- ICOM
  - ICOM is the international organisation of museums and museum professionals which is committed to the conservation, continuation and communication to society of the world's natural and cultural heritage, present and future, tangible and intangible. Created in 1946, ICOM is a non-governmental organisation (NGO) maintaining formal relations with UNESCO and having a consultative status with the United Nations' Economic and Social Council.
  - As a not for profit organisation, ICOM is financed primarily by membership fees and supported by various governmental and other bodies. It carries out part of UNESCO's programme for museums. Based in Paris (France), the ICOM Headquarters houses both the ICOM Secretariat and the UNESCO-ICOM Museum Information Centre.

# Virtual Museums

- Educational
  - IEEE Virtual Museum
    - The IEEE Virtual Museum is designed for students ages 10-18, educators, and the general public to enhance their understanding of the principles of electrical and information sciences and technologies within a historical context. It explores the global social impact of technology and demonstrates the relevance of engineering and engineers to society.
